

2015

# Water Fluoridation Quality Award

White Plains City  
State of New York

*The Centers for Disease Control and Prevention commends this water system for its consistent and professional adjustment of the water fluoride content to the optimum level for oral health for 12 consistent months. Consistent, high-quality water fluoridation practice, as demonstrated by this water system, is a safe and effective method to prevent tooth decay, improving the oral health of community residents of all ages.*

Presented by the  
Centers for Disease Control and Prevention  
United States Department of Health & Human Services

A handwritten signature in blue ink, appearing to read "K. J. Deaton", is written over a horizontal line.
