THE PLACE TO BE THIS SUMMER!

Snapology Wonderful Wizards Camp

Grades K-3

Enter the world of wizards, witches, knights, and royalty in Snapology Wizard's camp, inspired by Harry Potter and other amazing wizards and royals. In this camp, kids will be inundated by magical places like Hogwarts, while they create castles, crests, and use their own imagination to create secret rooms and a coat of arms!

- **Monday – Friday, July 20–24, 9–11:30am**
- **Gillie Rec Room**
- **\$200 for 5 sessions**

Snapology – Robotics & Coding Camp

Grades K-3

Lets's bring Lego® bricks to life using robotics and coding in this interactive Snapology Camp. Campers will work on robotic projects and program the models to move using code! Each day will be a different Lego® robotics challenge as students work in teams to build robotic animals, vehicles, spaceships, and even moving games they can play. Kids will learn about gear ratio, sensors, programming, and pulleys, as they create fun projects using Lego® bricks and technology.

- **Monday – Friday, July 20–24, 12:30–3:00pm**
- **Gillie Rec room**
- **\$215 for 5 sessions**

**FULL DAY: Wonderful Wizards & Robotics & Coding
Camp**

9am – 3pm, \$375

Snapology Engineering Machines & Cool Contraptions

Grades 1-4

Does your little learner love to tinker and create new things, or are they the kind of learner who likes to break things apart to see what's inside? If so, they're going to love Snapology's Foundational Engineering: Machines and Contraptions program! This program gives your student the tools they need to understand mechanical movement and the importance of simple machines. They will see these moving parts up-close as they follow instructions to build various machines and contraptions, then use the models to develop new design ideas, test out physics concepts, and even play games with their partners and classmates.

- **Monday-Friday, August 24-28, 9:00am-11:30am**
- **Gillie Rec Room**
- **\$215 (5 sessions)**

FULL DAY - Machines & Cool Contraptions and Video Games Favorite Camp, 9 - 3 pm, \$375
register at snapology.com

Snapology Video Game Favorites Camp

Grades 1-4

Indulge your child's gaming obsession IRL at this hands-on, creative camp. It's all about games, games, games, and we will use LEGO® bricks to recreate some of your child's favorites. Minecraft® fans will use LEGO® bricks to craft their own world and travel to the Nether. Mario and Luigi gamers will lend some zany antics to Super Mario day and Pokemon® hunters will love "catching", building and battling with their favorite Pokemon characters. Plus, we'll work on projects including Sonic®, Teenage Mutant Ninja Turtles®, Fortnite®, and more of the games kids love.

PLEASE NOTE: Rest assured that we will keep the video game themed camp series SCREEN-FREE and VIOLENCE -FREE. Emphasis will be on characters and scenery ONLY from these popular video games.

- **Monday - Friday, August 24 - 28, 12:30 - 3:00 pm**
- **Gillie Rec Room**
- **\$200 (5 sessions)**

Mad Science - Crazy Chemworks

Grades 1-4: Boys and Girls

Come and spark imaginative learning with a week of Mad chemistry. Watch as we combine elements and make them fizz, crackle and change color! We'll delve into molecules and chemical reactions that produce light, gas and even slime!

- **Monday - Thursday, August 31 - September 3**
- **9am - 3pm**
- **Gillie Rec Room**
- **\$360**
