## THE CITY BLOOMS, THANKS TO WHITE PLAINS BEAUTIFICATION FOUNDATION

White Plains Beautification Foundation has enhanced our parks and other public areas with flowers, shrubs, trees, street clocks, a carillon, fountains, a blooming basket, a flagpole, a gazebo and a summerhouse for 6 decades. WPBF is an all-volunteer, not-for-profit organization supported by the city's Departments of Public Works and Recreation & Parks, and engages with local nurseries to create and maintain more than 65 gardens and parklets. Its Adopt-a-Park program allows individuals, businesses and other organizations to support the mission. In the fall, WPBF plants thousands of daffodil bulbs around the city. Early bloomers, those daffodils burst forth each spring, followed by tulips, cherry blossoms and ornamental fig blossoms. It keeps the city filled with cheerful blossoming plants and shrubbery that bring joy and a park-like vibe to our urban setting. WPBF welcomes volunteers and would love to hear from you. Send an email to [info@wpbf.org](mailto:info@wpbf.org) to receive the annual newsletter and announcements of upcoming activities. Visit the website at [wpbf.org](http://wpbf.org).
