Any amendments to such plans or project area boundaries are also subject to public hearings. The urban renewal plans are public documents. The notice of all meetings, all urban renewal agency resolutions and the urban renewal plans are available for public review and are posted on the Agency's website. Any member of the public can monitor and assess the implementation of each urban renewal plan and the effect of each urban renewal project by visiting the project sites, reviewing the enabling legislation for each project and project modification, reviewing the urban renewal plans, and reviewing all project documents, including site plans and building plans which are available for public review during regular office hours at the offices of the Agency located in the City Hall Annex.

As a small public benefit corporation, the Agency is not involved in projects spread out over multiple jurisdictions or involving substantial financial resources, as is the case with many public authorities. As such, the monitoring of its performance by the Agency can be and is performed on a level very close to the projects in which it is involved. The following are performance measures for the Agency in assessing its implementation of its mission goals and objectives.

1. Is the urban renewal plan for a designated urban renewal project area moving forward consistent with the time frame established in the urban renewal plan?
2. Is the urban renewal plan for a designated urban renewal project area being implemented as specified in the urban renewal plan? Are the powers designated in the adopted urban renewal plan to be used by the Agency being used and are the results of using such powers achieving the objectives specified in the urban renewal plan?
3. Have there been any changes to the White Plains Comprehensive Plan since the adoption of the urban renewal plan which affect the plans conformance with the Comprehensive Plan or necessitate adjustments to the urban renewal plan?
4. Have there been any changes within the designated project area which necessitate a reevaluation of the area designated, either necessitating the inclusion of more or fewer properties?
5. Each redevelopment, reconstruction, rehabilitation or other plan for the redevelopment of a component of the urban renewal project is reviewed by the Agency management and by the Agency members ("Agency Board") to assess its conformance to the adopted urban renewal plan and the land use requirements of the City of White Plains.

6. The budget for each urban renewal project is reviewed by Agency management on a monthly basis and by the Agency Board at least twice a year to determine if the urban renewal project is on budget and at what rate funds are being expended under the budget.
7. A status report of each open urban renewal project is presented to the Agency Board at Agency meetings as part of the Director's Report.
8. All meetings of the Agency are noticed and open to the public.

#### Authorities Budget Office Policy Guidance

---

No. 10-01

Date Issued: March 1, 2010  
Supersedes: New

**Subject:** Acknowledgement of Fiduciary Duty

**Statutory Citation:** Public Authorities Law Section 2824(1)(h)

**Provisions:** Section 6(i) of Public Authorities Law, as amended by Chapter 506 of the Laws of 2009 ("The 2009 Public Authorities Reform Act" or "PARA"), requires the Authorities Budget Office (ABO) to "develop and issue" a written acknowledgement that all board members must execute as part of their duties and responsibilities under Section 2824 of Public Authorities Law. By signing this acknowledgement a board member is stating "that he or she understands his or her role and fiduciary responsibilities" as well as his or her "duty of loyalty and care to the organization and commitment to the authority's mission and the public interest."

Pursuant to PARA, every board member of a Public Authority is required to sign an acknowledgement of fiduciary duty at the time he or she takes the oath of office. The effectiveness of the acknowledgement will be deemed applicable throughout the duration of such board member's term and/or for as long as such director continues to serve in such capacity. Board members appointed to their positions prior to the effectiveness of PARA and the implementation of this new requirement are required to execute an acknowledgement by May 1, 2010.

**Authorities Budget Office Policy Guidance:** The primary responsibility of a board member is to understand the mission and public purpose of the Authority and to act in the best interests of the Authority, its mission, and the public. The intent of this written acknowledgement is to re-affirm the importance of this duty to board members.

The ABO is directing all state and local public authorities to use the attached acknowledgement form to satisfy this statutory requirement. Public authorities are to maintain signed copies of the acknowledgement throughout the official term of each active board member. State and local authorities will also be expected to certify as part of the Annual Report submission that these statements were executed in accordance with Section 2824 of Public Authorities Law. The failure to execute this acknowledgment will be considered a failure to comply with the requirements of Public Authorities Law. The failure to act in accordance with the principles stated in this acknowledgment can be considered a breach of fiduciary duty and could result in a recommendation that the board member be sanctioned.

A board member is to sign a new acknowledgement document at the start of each new term to which the board member is appointed.

As a member of the Authority's board of directors, I understand that I have a fiduciary obligation to perform my duties and responsibilities to the best of my abilities, in good faith and with proper diligence and care, consistent with the enabling statute, mission, and by-laws of the Authority and the laws of New York State. The requirements set forth in this acknowledgement are based on the provisions of New York State law, including but not limited to the Public Authorities Reform Act of 2009, Public Officers Law, and General Municipal Law. ### II. Deliberation

I understand that my obligation is to act in the best interests of the Authority and the People of the State of New York whom the Authority serves.

I agree that I will exercise independent judgment on all matters before the board.

I understand that any interested party may comment on any matter or proposed resolution that comes before the board of directors consistent with the laws governing procurement policy and practice, be it the general public, an affected party, a party potentially impacted by such matter or an elected or appointed public official. However, I understand that the ultimate decision is mine and will be consistent with the mission of the Authority and my fiduciary duties as a member of the Authority's board of directors.

I will participate in training sessions, attend board and committee meetings, and engage fully in the board's and committee's decision-making process.

### III. Confidentiality
