Re: 52 North Broadway

Dear Mr Amadio:

The Department has completed its review of the Addendum to Phase II Environmental Assessment Work Plan dated November 19, 2018 submitted by VHB on behalf of the City of White Plains. This Addendum in part was in response to the Department's October 17, 2018 conditional approval as well as to again request the installation of geotechnical borings within 5 soil borings which had been removed from consideration in the last submittal.

The Department approves the November 19, 2018 addendum.

If you have any questions, please feel free to contact me at (845) 256-3138.

Sincerely,

David G Pollock
Regional Enforcement Engineer
