This year we are excited to introduce as a new feature to WinterFest the Greater Putnam Railroad Train Show! Steam, diesel and electric model trains will be on display inside 29 Court Street. This location was graciously donated by Minskoff Grant Realty. Presented by the White Plains Business Improvement District (WP BID) and operated by the Yonkers Model Railroad Club, this free train show is sure to attract a crowd. The trains will be on display Friday, December 21st, 4:00 - 7:00 p.m. and Saturday and Sunday, December 23rd, 11:00 a.m. – 7:00 p.m.

WinterFest is modeled on the holiday markets found throughout Europe that bring communities together with festive music, food, and gifts and help usher in the holiday season as a meeting place for friends and family. It is our goal to extend that tradition to downtown White Plains and create an atmosphere of cheer as well as a friendly holiday gathering place.
