**Mentors**
Do you have an hour or two a week and want to make a difference in a young person’s life? The City of White Plains Youth Bureau wants you to be a MENTOR. A mentor is a grown up friend who can help a child become a young adult who is prepared for a successful future. They are one of the people in a child’s life who are there to listen to them, and also benefit from the program by watching a young person grow, and seeing how much fun young people can be when you don’t have the stress of being their parent.

Welcome to the White Plains Public Library

We’re enjoying the completion of the first floor renovation (stop by the Everyday Healthy Café!) and opening up the building to new programs and partnerships. Here are a few highlights.

This spring, we’ll continue Common Ground, a partnership with the League of Women Voters of White Plains. These monthly community conversations are a chance to make your voice heard—and do some listening—about the most pressing topics of our time. Upcoming discussion topics will include: sexual misconduct, healthcare, and food justice & the environment.

Our weekly Wellness Wednesday series includes Reiki, sound meditation, and Tibetan singing bowls.

We’ve gone book group crazy! We have book groups for mystery lovers (Book ‘Em), Barbara Wenglin’s short story series, Slow Reading (close reading of short fiction), and the Future is Female, which focuses on memoirs by women.

Don’t forget to check our website and subscribe to our eNewsletter to stay informed about our latest programs.

WONDERING WHAT MAKES WHITE PLAINS SO BEAUTIFUL?

THE FLOWERS THAT BLOOM IN THE SPRING… SUMMER… FALL

While some of us are shivering with winter’s chill, spring will arrive. It always does. Trees will bud, daffodils will pop up, and tulips will bloom! It’s nature’s way, with a little help from its friends. When the cherry trees bloom, you’ll think you’re in heaven.

For over 50 years, the all-volunteer White Plains Beautification Foundation (WPBF) has enhanced our parks and other areas with flowers, shrubs, trees, three street clocks, a carillon, as well as two fountains, a blooming basket, a flagpole, a gazebo and a summerhouse. They are responsible for maintenance of over 60 gardens which they created. Its Adopt-a-Park program allows individuals and businesses to help.

Every autumn, WPBF plants thousands of daffodil bulbs, now totaling nearly 100,000. Early bloomers, daffodils are closely followed by a myriad of tulips, and then…cherry blossoms everywhere! What a sight that is!

WPBF welcomes volunteers and would love to hear from you. Reach them at wpbf.org. If you haven’t received its annual newsletter, or if you have questions, call president Deb Donohoe at 914-646-4858."
