DEPUTY COMMISSIONER

November 1, 2019

Dear Residents:

During the month of November, the Bureau of Water will be flushing water mains between the hours of Midnight and 4:00 a.m. Weather permitting, we are expecting the flush the hydrants specifically on the evening of Friday, November 1st and again on Friday, November 15th. Except for emergencies and/or repairing hydrants during the normal work day, our program will be conducted in the neighborhoods of:

**PROSPECT PARK
THE HIGHLANDS
CARHART. WESTMINSTER
WOODCREST**

This operation may cause some discoloration of the water, so washing clothes is not recommended during this brief time (Midnight – 4 a.m.) however, the water quality remains the unchanged and is still safe for drinking. If you experience any discoloration of your water, simply run cold water until the water runs clear.

We regret any inconvenience, but this is a necessary maintenance and safety requirement.

For further information, please call 422-1220.

Sincerely,

Richard G. Hope
Commissioner of Public Works
